

Dear Family and Friends,

For the past 15 years I have served as the director of LightShine Ministries. **Our goal is to provide skilled workers to support local churches that minister to people in rural and wilderness areas in North America with a special emphasis on Native American people.** Statistics tell us that less than 5% of Native Americans are believers in Jesus Christ. Therefore the need is great to work hard at providing tools for local churches and ministries across our county that serve them.

On May 15-22, I am leading a four man work team going to build a 6 sided log chapel on an island in northern Minnesota. Last year our father/son team worked with Pastor Mike Potts on Birch Island in northern Minnesota to clear land for a pastor's retreat and youth ministry. To see photos from last year's missionary assignment, go to this webpage:

Pastor Mike was the pastor of the **Copper Center Community Chapel** in Alaska when LightShine helped build **Strelna Lake Wilderness Bible Camp**.

Please consider supporting me and my family as missionaries with LightShine. After doing this for 15 years it is still hard to ask for support. But please understand that this ministry reaches many people. Please fill out the form below and send it with your support check. **Remember that your financial gift to is tax deductible.** I would like to keep in contact with you by e-mail, so please include your e-mail address.

Please pray for our team that God would keep us safe and that we would get much accomplished on our assignment. Thank you so much!

PLEASE CUT ALONG THIS LINE AND SEND IN THIS FORM ALONG WITH YOUR CHECK. THANK YOU!
