Dear Tom,

It is my privilege to recommend to you Mel Miller in his work as team leader for Lightshine Ministries. It has been a joy to receive the wonderful reports that he brings to us about the ministry there in Alaska. I have no doubt he will serve the ministry very effectively.

Mel has been a life-long part of the work of our church, and we have been greatly blessed by his leadership and influence. Mel serves as an elder in our congregation and has demonstrated the attitude and love of Christ throughout his tenure. From disaster relief work to general construction to youth leadership to men's ministry, Mel has followed the leading of the Spirit in so many areas. Mel will no doubt provide maturity and leadership to the volunteers he leads.

I am grateful that we will both have the joy of sharing in ministry with Mel, and I look forward to the continued blessing he will be for Lightshine.

Blessings!

David B. Simmons  
Pastor
