Greetings to you in the Name of our Lord Jesus Christ!

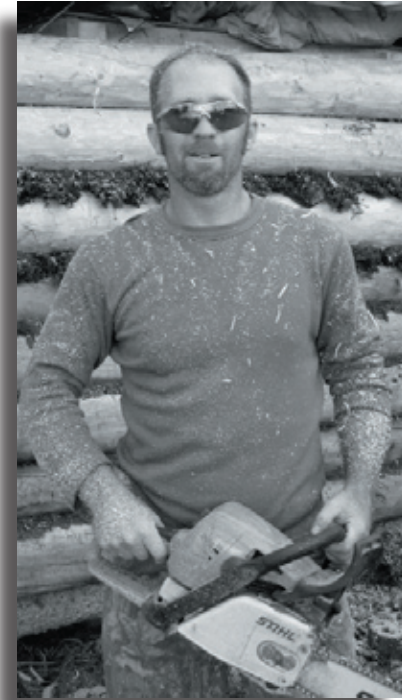

May/June 2008

Isn't it a beautiful time of the year? We are very excited about this year. We are offering three opportunities for you to work with your hands in Alaska and encourage brothers and sisters there.

Our Bible verse for 2008 is Ephesians 2:10 (NKJV):
For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.

Have you considered what work God created you to do? It may sound too simple, but don't rob yourself of God's blessing. It is simple. **God created all of us to do work for building His Kingdom here on earth.** Not everyone has gifts of teaching and pastoring. Some of us are just good at working with our hands. One of our goals is to connect people like you who have gifts to share with people who have needs.

Our **May Work Team** will be working at Globe Creek Camp which is northeast of Fairbanks, in Alaska from May 17-26. **Would you please pray**

for them? Pray for safety and God's blessing as they serve. Globe Creek Camp offers youth camps throughout the year and is a vital ministry in Alaska. Lord willing, our team will be building a girl's and a boy's cabin near the main cabin (pictured here). Make sure you go to our website for more photos and prayer requests.

Last July we met the pastors and camp director at Globe Creek Camp and we **prayed** for God's direction on how we can help them build their camp ministry. This photo shows last year's leaders meeting with us at the camp.

Please **pray** for us as we make ourselves available to churches and Bible camps throughout Alaska. We feel a clear call from God to develop these relationships and offer a **"Pipeline of People"** from Pennsylvania to Alaska. Our goal is to

provide a steady flow of people to serve and build the Kingdom of Jesus Christ!

Don't forget about the matching fund that has been offered to us. Throughout 2008 every donation will be matched up to \$20,000. This has been a huge encouragement to us and has helped us build our ministry. And don't forget that you could also be part of our next team!

Please take time to visit our website and see the short term opportunities we are offering this year. Feel free to contact us if you have any questions.
