

Greetings in the Name of Jesus!

We have volunteered to work with LightShine Ministries in Alaska from August 22 - September 6, 2008 and we are asking that you consider supporting us as short term missionaries during this time.

LightShine Ministries has been leading missionary teams to Alaska since 1995. In 1998 they started helping the pastor of a small church in Copper Center, Alaska build a Bible camp. The pastor's goal was to provide a place for local native Athabaskan youths to spend time with people who know Jesus Christ and be a good influence on them. Now every year the church provides several weeks of camps to various age groups. It is a great ministry! You can view more of this ministry here:

It is very important to maintain this camp. This is the goal of our team. Our assignment involves various repairs, major amounts of brush clearing, collecting firewood, etc. This work prepares the camp for a long hard winter so it will be ready for the children the following summer.

We each need to raise \$1950 by July 31st. We received half of our support by the end of June and our airline tickets were purchased, praise the Lord! We know God will supply all of our needs. If you feel God is leading you to partner with us, please fill out the form below and send it with your support check. We would like to keep in contact with you by email so please include your email address. Remember that your financial gift is tax deductible. Thank you!
