

GREETINGS FROM THE TOM & RUTH DENLINGER FAMILY

Serving with LightShine Ministries in Alaska for the past 16 years

What an awesome privilege it is to share God's Word with people who are hungry for His Presence and plan in their lives. We are always looking for more opportunities to share with people the passion we have for our Lord and His plan for building His Church. When I speak I usually begin the message with a Powerpoint presentation giving an overview of what LightShine Ministries does in Alaska. Then I move into a message that God is moving in me which is usually directly related to how He is moving in us as a ministry. In October my message was called **"Three Things That Keep People From Serving Their King"**. I must be honest and say that His word for His Church is getting bolder and bolder as I ask him for a deeper understanding of what He wants me to communicate. I have been in various forms of ministry all my adult life and **I am feeling an urgency to call brothers and sisters in Christ to deeper levels of commitment and intimacy with the Father.** Time is slipping by very quickly and it is imperative for us to maximize our short time on this earth. **As followers of Jesus Christ, we need to focus on what our King is commissioning us to do and not continue to be distracted by the things of this world.** We need to cultivate this kind of urgency and accountability as fellow believers so we can stay focused and ready to minister to others when He tells us to. I am very excited and energized by this message and would like to share it with your group. If you would like us to come and share with your church fellowship, please contact me at: lightshinealaska@comcast.net

Recently I was asked by some people in a church in Alaska to go with them to the Philippines in March and work with them in the cities of Antipolo and Alfonso. **They want me help lead worship and also learn from what they are doing in ministering to the people there.** This is a huge step of faith for me because of the limitations I have in raising financial support. For years I have encouraged people who go with LightShine to trust in God and He will provide. I am willing to take this call to go to the Philippines with this ministry in Alaska but I need your help. **I need to raise \$3,700 to do this.** To be honest, I would love to take my son, Alex, with me as well because of his ability to work with me in worship. But this is a mountain that I am seeking the Lord to move for me. **Would you be interested in helping us with this?** I give you my word that this will be an investment that will pay off in equipping many others in the future. That is my heart for learning and experiencing new things - eventually equipping others to do the same.
